Competing in a Flat World Building Enterprises for a

Many such books end up seeming like advertisements for the firm being described in part, but *Competing in a Flat World* escapes that narrow message with plenty of description of general principles for strategy and operations. The key differences between traditional management efforts and this new business model are summarized on page 194 in table 12-1. If you don't have time to read the whole book, start with that exhibit.

Book Summary Competing in a Flat World Victor K Fung

In a flat world concern is not where but how When you own production facilities, your concern becomes, to some extent, to utilize your capacity instead of answering a customer need. Ideal scenario is when goods are not bought or sold but created by network, when a customer asks for something.
