The only aspect of the novel that is

The Sign of the Beaver by Elizabeth George Speare

The Sign Of The Beaver has a survival theme to it. I liked this story because it is an adventure and survival kind of story, and I love those kind of books because you never know what is going to happen next. I can connect to this book because I love the wilderness and I know some survival techniques, like how to build a shelter, make a signal fire, and start a fire.
